

EARLY INTERVENTION COURSE (SCH 256)

# Cyberbullying

FOR 5TH-6TH GRADE

## COURSE DESCRIPTION

The *Cyberbullying* Early Intervention course defines different kinds of bullying, and will challenge students to take more responsibility for their digital interactions. Students taking this course will be more aware of their values, attitudes, and beliefs, and some common reasons for bullying. The course material highlights the negative effects of bullying for both the victim and perpetrator, as it helps students identify underlying thinking errors that lead to negative behavior.

## LEARNING OBJECTIVES & SKILL DEVELOPMENT

- Equip students with thinking skills to avoid negative interactions through the internet
- Student will learn how to better manage their online activities
- Students will develop identification skills to better observe and respond effectively to digital bullying

## RECOMMENDED USES

- **Self-Directed**—Student does most of the course work independently with a coach or mentor.
- **Group**—To be completed at school in a group format with a facilitator.
- **Hybrid**—A combination of self directed learning and group instruction.
- **Live Instruction**—Facilitator led digital curriculum, suitable for both in class or virtual.
