

EARLY INTERVENTION COURSE (SCH 257)

Decision Making Skills

FOR 5TH-6TH GRADE

COURSE DESCRIPTION

The *Decision Making Skills* Early Intervention course is designed for students who struggle with making decisions. It is especially helpful for students who experience peer pressure, have difficulty considering consequences, or feel unsure about how to make choices that align with their values and goals. Students will learn to recognize what influences their decisions, pause before acting, and develop the confidence to make choices that lead to positive outcomes.

LEARNING OBJECTIVES & SKILL DEVELOPMENT

- Taking personal responsibility
- College and life preparation
- Develop organization and prioritization skills
- Strengthen ability to overcome adversity

RECOMMENDED USES

- **Self-Directed**—Student does most of the course work independently with a coach or mentor.
- **Group**—To be completed at school in a group format with a facilitator.
- **Hybrid**—A combination of self directed learning and group instruction.
- **Live Instruction**—Facilitator led digital curriculum, suitable for both in class or virtual.
